

COVID-19 Vaccines for Homebound Individuals

The City of Cleveland and Cuyahoga County are partnering with local entities to vaccinate homebound individuals. The Western Reserve Area Agency on Aging is screening individuals for eligibility.

Referrals can be made by contacting Western Reserve Area Agency on Aging at (216) 621-0303. When making a referral, please be prepared to provide the individual's name, demographic information, DOB, phone number, and address.

Homebound persons include those who need the help of another person or medical equipment such as crutches, a walker, or a wheelchair to leave their home, or their medical provider believes that their health or illness could get worse if they leave their home, therefore they typically do not leave their home.

To check your eligibility or receive more information call or visit us at:
