

Professional Connection Program

Global Cleveland Professional Connection program provides international job seekers (immigrant, refugee and/or international student) an opportunity to build a connection with professional connection volunteer(s) based on similar professional backgrounds and interests, based upon their request.

Professional Connection Volunteers are professionals working in Greater Cleveland area, from a variety of industries and with unique backgrounds.

International Newcomers

Professionals

Global Cleveland

How do international job seeker benefit from this program?

- Meet a professional from the field/industries you are interested in
- Learn about his/her experience and how they got into the industry
- Get suggestions/advice on your resume
- Practice mock interview
- Ask questions on the things you're uncertain about
- An ongoing professional relationship if you continuously **FOLLOW UP!**

**If you want to be connected to a professional,
please contact Supriya Tamang at Supriya@globalcleveland.org**
